

Gordon Edward Holt

February 2, 1939 ~ April 14, 2025

Gordy was the most Christ like man we had the privilege of being friends with. We loved being with him and Caroline with many fun adventures. He touched our lives in so many positive ways. We found our first home as neighbors with the Holts because of his help and that was the start of many things he was a positive part of in our future. We love Gordy and Caroline and will forever.

First of all, my thanks to whomever saw fit to include me in this notice. I am hoping to get up to SLC for the service. If I am unable to do so, I will join you to honor this great man electronically. (If I can figure it out as an 81 year old) Gordy and Carolyn were neighbors and friends...always generous, always caring. Gordy was a true Christian. Once when my nephew had fallen off our roof and the emergency people showed up, so did Gordy. This was typical of him. Carolyn's and Gordy's generosity extended to the entire neighborhood; making their lovely pool available to all the kids. Once again, thanks for this alert. It was a much nicer way of finding out than having my Christmas card returned and losing the opportunity to tell you how much Gordy and Carolyn were an important part of my life on Sunnydale Lane. Gordy was truly a prince among men.

Gordy was a wonderful man and neighbor for many years. A kind and gracious business man. I'm sorry for your loss, he will be missed in the community.

Dear Wonderful Holt Family, It is with tender hearts and great gratitude for the wonderful life of Gordon "Gordy" Holt, that we express our love, our sympathy, and our caring to each of you at this tender time of your dear Gordy Holt's passing to Heaven. The goodness and kindness of his life touched every soul whose gift and blessing it was to know him, and to call him "friend." How very grateful we are, and will always be, to have been among them. May you each be blessed, and comforted, and strengthened, at this very tender time. With our love, Larry, Terri, and

Thanks to the Holt Family for a wonderful service. Gordy and I go back about seventy five years together. We served in the Aaronic Priesthood together and served missions at the same time. We also go back to Laguna Beach and many great memories. Like you, I love Gordy and can testify that he lived a life of faithfulness, generosity and love for his fellow man. May the blessings of the Lord be with you all. Robert Daynes
