

Gordon Francis Rodgers

August 4, 1930 ~ August 23, 2024

Gordon was the most inspirational temple patron that. I ever met. He knew what his temple covenants were about and expressed that understanding in a way that I will never forget. At 89 years of age he accepted the calling to be my counselor in our ward Sunday School Presidency and counseled our presidency with wisdom and the Spirit. That is exactly what I needed. I will be forever grateful for his friendship and example. Our condolences go to Carol whom he loved in an exemplary way. Tom and Debbie Rueckert

I always counted Gordon as won of my best friends and look back on the time we served together in the Sunday School. I will miss Gordon and look forward to meeting him again in Paradise. Gary

Sorry to hear of your father's passing. Jeff called me today and told me. How are you doing? Want to express my sympathy and you will be in my prayers. Love Kyle

I really appreciated. Gordon. I worked with him at UARCO. We were such a lovely group of friends and co-workers. I enjoyed reading his obituary and learning about his later life. I'm glad that he was able to give great service and be married and sealed in his last years of life. Bless his wife and friends and family who miss him! I'm sure that he's working hard on the other side. He lived a long and full life. Tanya Wadley ❤■
