I am sorry for our loss. We don't have many memories with Mr. Gordon. We knew him as a home buyer from his childhood house. I can't believe that we just met him 3 months ago. He was still a strong, healthy, positive man. I hope Mr. Gordon is resting in piece. We are taking care well your childhood house, Mr. Gordon.

Gordon was a great neighbor. Always ready to provide advice and was frequently very funny. I will miss his witty banter. The neighborhood isn't the same without him.
