I loved spending the little time I did with her. She is such a sweet, beautiful child. Her smile was contagious. To watch how caring and loving her family was to her, she definitely had a good life in her short time here. I know she was grateful to be in such a sweet family. My Love and Prayers always.

Gracelyn was the life of a party, glowing with love and pure joy at social gatherings. Thank you, Alma and Marie, for sharing your precious daughter with us. You could feel the angels around her. She will be sorely missed, but she and Clayton are together again and I can only imagine the joyful reunion that awaits such faithful, patient souls.
