We will miss you Grant with your fun stories and adventures. You were such an excellent Assistant Primary Secretary. What would we have done without the help of all your tech skills. We will be sure to watch over Donna. That will be easy because she is so loved. God bless the Ohlson family with love and peace!

It was a very inspirational funeral. Grant was a good neighbor and friend and I have many fond memories of our association over the years. I had the privilege of being the family's home teacher when we first moved into the ward. I served as a counselor to Grant when he was the Elders Quorum president and when the family moved, we were very happy that he was our neighbor for many years across the back fence.

We have been deeply saddened by Grant’s passing. He was a good honest man, kind, thoughtful and funny. Grant always had a fun story to tell about life or the grandchildren. We have been blessed to share children and grandchildren with you. His memory and good example will not be forgotten. Please accept our heartfelt condolences to you and your family. We send our love and will keep you in our prayers.
