We were so honored to meet Bob when he came to visit Steven and Wendell in Puerto Vallarta. Shared beach days where Bob went swimming in the Bay of Banderas. He was strong and active. We also shared dinners and loved hearing his stories. What a wonderful man and we will miss him. He was an inspiration by his kindness, love and friendship.

I met Bob years ago at Alta when I shared a lift with him & his friend Nick Looser. I immediately fell in love with these 2 great guys & looked forward to seeing them on the slopes or in Albion or Alf's. Bob was ageless and well loved. He gave the best hugs. I will miss him dearly.
