

Grant Stanley Stensrud

April 6, 1927 ~ January 14, 2025

What an amazing man to have achieved all he did in his lifetime. He was always striving to learn, even into his later years. Having such great memories of your Dad will help you in these hard times.

We met grandpa Stensrud from Travis and Bailie Stensrud. He was an amazing man from what we saw which was only a few times. He loved talking about his life and the LDS church. We wish we knew him better because everyone in the Stensrud family loved him so much. We knew he was a very special person to his family. We're so sorry for your loss. Time will heal, but your wonderful memories of him will be with you forever.

We will surely miss our dear Uncle Grant. After my father David passed away, I could hardly take my eyes off him when I would see him. Uncle Grant reminded me so much of my sweet father David. I could see my dad in his eyes as they twinkled just like his. Uncle Grant sent annual Christmas cards with a sweet note always attached. I was blessed with a phone call from him two weeks ago. We had a 40 minute chat. My heart swells with love for him. I cherish the surety that we will see our Uncle Grant again and that we are an eternal family. It brings much comfort to us. So happy to know of the sweet reunion he is having with his sweetheart Anny, his parents, siblings and children. Love to you always Uncle Grant and family.
