Grant was a good friend as well as a work colleague. He was a jovial person and great personality. My most memorable experience is when he and I went to work in Rock Springs. We got done early and headed to Flaming George Dam. He brought his boat of course and we did some fishing and boating the rest of the afternoon. This of course was financed by our trip to Rock Springs to do "Xerox work". Thanks Grant for many years of good friendship.

So sorry to hear about Grant. I'll always remember him as the being a quiet, most patient husband/dad when you would come visit me at the store. He always had a smile, and I could tell that he loved you both so very much.♥■ Thinking of your family and sending love, -Britney

Hi Kathy, I am very sorry for your loss. Both you and Grant were good friends to me. I enjoyed working with you both at Xerox and talking boats with Grant. I will always remember his laugh. The picture of Grant holding his cup in the air pretty much sums up how I remember him. Times like this give us a chance to reflect on all the people that touch our lives throughout the years and how those times help shape us in to who we are now. My wife and I were visiting SLC from New York back in April. We ended up on a road that reminded me of where you lived when we had a team party at your house. While waiting in the car for my wife, I was trying to find your address on my phone. I had thought about stopping by to say hello if we were close by. Unfortunately I ran out of time. I wish now I had pursued it more. Take care, Mike & Jackie Shovan

I am so very sorry to hear of Grant's passing. He and Kathy were so welcoming to me when I moved to SLC. I can still hear his laugh/giggle singing thru the hallways at work which always made the day much better. I still say he was a closet Chicago Bears fan even when he as giving me a hard time about my team. As they say in my Irish family, may he be singing with St. Peter before the devil knows he's gone. Prayers to the family.

My sincere condolences to Kathy and Hillary and the entire family. I had the pleasure of working with Grant for many years at Xerox and always found him to be kind, good natured and someone you would want on your team. I would say that Grant was the first employee of Xerox in Salt Lake City when a branch office was opened in the late 1960s. I also greatly admired his boundless energy in serving his community by delivering "Meals on Wheels" and having many funny stories to share with his former colleagues. Grant will be missed and may he rest in peace.

Kathy and family, I am so very sorry for you at this sad time. Grant was a good man, always had a positive attitude and good work ethic and a pleasure to know and work with at Xerox. And, it was lovely to see you two connect. I hope your treasured memories will continue to fill your heart and give you strength. Sincerely, Vicki Wilson
