

Greg Yates

April 25, 1953 ~ January 21, 2022

Greg was the best neighbor anyone could ask for; the one you didn't even know could exist. He was funny, creative and aways willing to lend a hand. I can still hear his laugh. We never got the chance to play golf, yet I am grateful for the memories my family had with him over the last 14 years as neighbors. You will always be in our minds and hearts. My condolences to Karen, the boys, grandchildren, and his mom in Kentucky. Sending hugs love from us to all who loved him.

So sorry to hear of Greg's passing. I worked with him for several years at Columbus and have fond memories of him. He was a good guy, always laughing. Here's to the Derby and one more Mint Julep.

Just watched Greg's service on zoom. It's still hard for me to comprehend. I've been missing all the hugs, hand-shakes, shared memories, and shared love. What an amazing group of family and friends all rolled into ONE beautiful ball of LOVE. My heart was there with you, and it will always be with you and Greg. In loving memory of a natural, trustworthy, sincere friend. Steve

Sending condolences to the Yates family. He was a great man with a heart of gold. The peaceful nature was contagious. My children will always remember and cherish the time they had with pop pop. Sad he was taken too soon leaving a huge void in the world . Love you Greg I promise your grandkids will know what a great man you was
