My condolences to Greg and his family. I worked with him at ATP several years ago and Greg was always good to me. I know he enjoyed good music and good food.

Greg was a wonderful friend and teammate on the West Point Gymnastics team for 4 years. His passing was a shock given his spirit for life during the years we spent together. I would love to have a conversation with any of his children about their Dad...email: cjmmfulton@yahoo.com

My condolences to the family and friends of Greg Daly. I coached Greg on the Gymnastics Team when he was a cadet at USMA. And we reconnected several times in the years after that. Loved his wry smile and humor and he was always quite positive. I will miss him. Ned Crossley

What a beautiful man. His love for Spanish music, dancing and good food is what I remember. His big smile and fun energy is a reminder that life is to be lived and enjoyed. Bless those close to him.
