Lisa and kids, We are so sorry for your loss. Greg was a great and kind man who will be missed by all who knew him. He was a great brother to me and was always willing to help anyone in need. He loved you all and was so proud of each and everyone of you. Our hearts and prayers go out to all.

Condolences to all the Family. It was a shock to stumble upon this notice. Greg was an outstanding man. I met Greg years ago when he drove up to Regina, Saskatchewan, Canada to demo and us a CAD/CAM Software. We purchased it and we continually contacted Greg over the years for any Tech Support. Greg was one of the smartest Tech Guys I've ever met when it came to CNC Machining and Programming. I think of Greg all the time. Not a day goes by that I don't forget all the good Greg did for my company. Rest in Peace Greg. Always remembered. Bernie Paul Precision Machine Works Regina, Sask, Canada
