Remember all the adventures, the love, and laughter, generosity and belief in the Lord. She will watch over all and will welcome all when their time on earth has expired. Mourn the loss but rejoice in her salvation.

Matt, Margaret, I'm very sorry for your loss. I never had the chance to meet your mother, but through both of you, it's clear what a remarkable person she was. The kindness, strength, and character you carry say a lot about the

love and values she gave you. Thinking of you and your family during this time.

I grew up with Gretchen in the University/ Federal Heights Ward. Her joyous spirit, great laugh, supportive friendship continued through high school, college, KKG and after. Years later when I would see her occasionally in the grocery store, she always greeted me with warm enthusiasm as if it were yesterday. Just remembering her infectious smile makes me smile too. ❤■❤■
