Dear family it was with great sadness I received the message of the passing of your dear, precious, loving mother. She and I had some very special times together. I was looking forward to more when she discovered she had become too ill to even enjoy life. Her personality and kindness to me will always be remembered. I loved her instantly from the very first day I met her at Aunt Nita’s home in the 60’s and on occasions throughout our life. She loved and appreciated life and relationships. Such a beautiful spirit in her tiny little body. I’ll always love and miss her bright eyes, smile and kind expressions. May all of you hold on to your wonderful, precious memories of her, I’m sure you have many. To be at peace knowing she is in heaven and free of the pain in her body, getting a much deserved rest from physical life is a relief. She lives still in spirit and I love that. Rest in peace dear, sweet Gwen.

Sending all my love to Gwen's family. As her younger sister I got to baby sit Ray, Gary and Wendy. Gwen was always such a sweet and loving sister.
