

Hal Ray Peacock

March 5, 1924 ~ November 9, 2021

I worked for Hal And Goldie's dentist's Dr. Ken Adamson and Dr. Jeffrey Adamson. We knew them both and always loved seeing them for many years!! Hal knew my father from his days in American Fork. He worked with my Grandfather Paul Adamson at a grocery store in American Fork. They are the Best! We will miss them. Please accept our sympathy and love! Jill Wright

Our family knew Hal, and Goldie, for years. They were such a wonderful, funny, sweet couple. Hal was a prankster, but a good old boy, and we love him. Bob was happy to have him as an Assistant in the High Priest Group Leadership in Riverside 1st Ward.
