Dear Art and Hanna and family, Nancy and I have so many fond memories of times with you and your family: Hikes in the Cottonwood canyons; Skiing at Brighton and Alta; playing at your home and the wonderful lunches your mom made us. The memory of her smile and twinkling eye's still warms me. Her testimony helped my young heart believe. I'm still blessed with the testimony she and my family kindled years ago. Sacrament Meetings were so wonderful because of Hanna's voice. She could sing the high "C" so wonderfully on so many hymns and songs; making our worship so much more meaningful. Art and Hanna your mother is a Saintly Queen. We are blessed by her life.

Oh, how I Love Hannah! She is such a beautiful soul. I loved her war stories and family stories. Her accent made me want to jump on a plane and travel. She was so adorable with the sweetest smile. Sending love and hugs to family and friends.
