Ana and Alden loved their Mascot Miracle friend, Rusty. I'm not sure if anyone truly knows the miracles that they help with. After quite a few years at MM events, Alden remarked, "I think there's a people in there". So, to the "people" who has left the suit behind, we love you so much and thank you!

- Ana and Alden Amott and family

Our hearts go out to your family. We know "Rusty" from the MMF. Pete has always brought joy to the hearts of our children and many others. Thank you for his service and loving support. - Nick and Melissa Larkin family

From what I could tell, Pete treated everyone with the same big smile and kindness, whether it was the first time they met or an old friend. Pete and I were not close, but I honestly felt better every time I saw him and he said hello. I'm sad to see him pass. My condolences to everyone who is hurting from his loss.

I joined R.C.Willey 29 years ago in 1992. I had never used a computer before, they were a mystery to me. In my first week I forgot my password and how to get it, as I tried I was not using very nice language. Someone tapped my shoulder and asked if they could help? It was Pete. I can't count how many times thru the years he clocked me in when I forgot to clock out the night before. As the years rolled by we became good friends, had interesting chats, found a lot of common ground. He told me about his volunteering and showed me a picture in costume on his bike, I was also sworn to silence. I will truly miss you Pete. If you were lucky enough to know him you knew a treasure.

Dear Loscher Family, I haven't completely processed the news that Pete has passed from this existence. We're all too young to be losing childhood friends. My mind has been flooded with a thousand memories. Summer water fights in the backyard. Sleep outs and going to Glendale Golf Course to get golf balls out of the lake. A thousand wiffle ball games. Oh what I'd give to be 13 playing wiffle ball with all the 1st ward neighbor boys again. Those days were heaven. And I can still see in my mind's eye Pete running around the bases in a softball game. How did his legs move so fast. I'm saddened, by the terrible news. I regret not making an effort to get the old gang together for a BBQ. Oh how life gets in the way. I'm so grateful for my days sharing the corners of 1400 S and 1000 W with the Loscher family. We shared together a wonderful and magical youth that has knit us together in friendship and love that I know extends beyond this frail existence. My prayer for my dear Loscher friends is that through Christ's atonement, your sadness will be transformed to gratitude, and that the peace of the Holy Spirit will abide with you all continually. With the fondest of memories and affection. Love Ryan and Julie

I worked with Pete for over 25 years before retiring from RCW. Pete was one of my favorite people at work and my go to guy for NASCAR questions! I'm so sorry for the families loss, we all really lost one of the good guys in this world. God bless you, Pete.

So saddened to hear of Pete's passing, Pete is such a great guy. I first met Pete when I started at the SSL store. Was always helpful and kind even to us new hire's that didn't know anything. I got the opportunity to work with him again when I moved back from California and got to help him a few times with RC Willey parades and the old '37 Chevy. I purchased a Ford Superduty very similar to Pete's (same color, cab, bed, etc), it's was fun to park mine next to his and see two twins in the parking lot. Thanks be to the Lord for the atonement and eternal families. God bless!!!

Pete was a quality man. He was always in a great mood and wearing a smile. I always enjoyed talking to him about everything from hunting and fishing to hearing him brag about his family. His work as a mascot was always a great topic of conversation and he was very compassionate and a great deciple of our loving savior. I will miss him greatly and feel blessed to have known him.

- Steve Krahenbuhl

Best wishes to Pete's family during this difficult time. I knew Pete well and had worked with him over the past few years. Respected others and was respected by others. Certainly a difficult time for the RC Willey family as well. May he rest in peace.
