

Harvey Ralph Fox

August 22, 1924 ~ December 21, 2023

I love you so much grandpa. It's been an honor to know you and have you in my life. I'll miss your Swedish cream, your fox decorations, and how hard it was to keep you on the phone. I talk about you all the time.

I wish to express my condolences to the family of Harvey Fox. Harvey had a long life and was blessed to have had a family that loved and cared for him till the end. Undoubtedly he had been a good father who earned such love. May he Rest In Peace.

Our love and positive thoughts go out to the entire Fox family . Please except our heartfelt condolences on the loss of your beloved Father- Grandfather, Harvey Fox. I first met Harvey roughly 42 years ago, through my newly formed friendship with his youngest son Jamie. If memory serves I believe Jamie was staying with Harvey at an apartment building on 5th East. It was there I had the pleasure of meeting your Father - Grandfather. Harvey. My first impressions were of a very nice man and solid father. Throughout the years I had the opportunity to connect with Harvey through John and Jamie. Harvey was always very good at remembering who I was and would acknowledge me by name. From time to time I would run into Harvey and his Veteran friends at a local diner they used to frequent for breakfast. It was always a nice surprise to have that encounter. I did not know Harvey well, nor did we have long conversations, but I always felt that he was a kindred spirit, who had a special way of being. I feel fortunate to have had a chance to make a connection with such a nice person and great human being. Rest in Peace..
