One of the most remarkable obituaries I've ever read. Betsy, I am so sorry for your loss, especially at this time. It seems impossible to experience the ritual of final gathering with this pandemic. However, this beautiful eulogy will serve as a very important send off to a remarkable man. You were fortunate to have him as long as you did. I still miss your parents very much. Ashby and I send our deepest condolences to you and your family.

Betsy Karla and I are saddened to learn of Scott's passing. I always enjoyed my association with Scott and felt he was a special spirit. We know you will be surrounded by family and friends as you celebrate his mortal life and grieve his early departure. Faith is a wonderful blessing. We will pray for you. Bob

Dear Betsy, It was difficult to receive the notice that Scott had passed away. Scott was a person of great quality and never left me, when we talked, with anything but a smile. I have great admiration for your family during this difficult time and know of the difficulties that you have had over the last 10 years or so. Please know that I love you and appreciate you for all that you have done under these tough circumstances. Kindest personal regards, Jim Macfarlane
