

Heather Lynn Condie Kingsford

November 8, 1960 ~ February 20, 2022

Heather was always pleasant, happy, and optimistic. Her fresh outlook influenced everyone she was around. It was hard to see her not feel well her last few years yet her “can do” and giving approach came through even stronger the last years of her life. She’s irreplaceable and will be missed by many.

Heather’s life was Christ like in her ability to lift and love others unconditionally. Such characteristics will be remembered by many and carried on by those she raised and loved.

So sad to hear about Heather. She was a sweet person and I enjoyed playing volleyball with her at Skyline High and seeing her at Nordstrom. Thinking about all of you in the Kingsford and Condie families. Jill McBride Baxter

Dear Tom and Nate, We were so very sorry to hear of Heather's passing. I have so many sweet memories of Spencer and Nate's Elementary and Jr. High years when the boys spent so much time together. Truly Happy Days! Nate, you will always be one of my favorite of Spencer's friends. Heather welcomed Spence into your home so many times with joy and kindness. Spencer felt her goodness in so many ways. My memories of Heather are filled with how she radiated a beautiful Spirit of light, grace. and goodness. Tom, We appreciated the times our paths crossed again as Spencer, Michael, Megan, Christian, and Ruth were your students or knew you at HH. Thank you for watching out for them in the halls of Highland High. They all have their favorite Coach Kingsford stories and always speak of you with a big smile on their faces. Thank you for being a positive influence in their lives, one they look back on with great affection. We send our deepest sympathy to the entire Kingsford family. May the Lord's Spirit and His Angels surround you and carry you during this most difficult time. We pray that you will feel His love and understanding as you go through the days ahead and that your memories and love for Heather will help soothe your hearts. We send our love, Henry and Renee Schwendiman and Family
