I'm so sorry to hear that Heidi has passed. She always had a smile on her face, and a good word to say about any situation. 'Her glass was half full'. Never half empty. She will be severely missed.

I will miss you Heidi, I will always remember the times in the Pinto, the fun of the reunion and the "sleep outs" on the back yard. You wore your heart on your sleeve and you always greeted everyone with that big, beautiful smile. Catch a big one up there. My love and huge hugs to all the Hansen girls and especially to Aunt LaVon. Love you all!
