I looked up to Heidi for her love of family, sharp intelligence, quick laugh, willingness to be real, and her faith and devotion to the Savior. She truly is a role model to me and I will miss her! So grateful her legacy lives on through her eight above average children. My heartfelt condolences to Chris and the Olsen children and grandchildren.

I am heartbroken at Heidi’s passing. Truly one of the greatest women who ever lived. She was one of the smartest women I have ever known and at the top of my list of role models. I knew about her from the Hainsworth family. They all loved her and Jason loved all the Olson kids. Upon meeting Heidi I immediately knew why. She knew how to keep things real before keeping things real was a thing. When we moved into 6th ward I was just beginning to raise my family and Heidi was just finishing up. I looked to her as the wisest mother I knew and wanted to be just like her. When the Olson kids would come home for Christmas and other visits I would think to myself, “I want a

family like that.” We had six kids in 8 years—I couldn’t quite do the 8 in ten but it was close enough. In late 2012 I was near the end of serving as a Relief Society president. Heidi was no longer in my ward but she was the first person I thought of as a speaker for our Relief Society retreat. I’ll never forget her talk. Part of it was a Mother’s Day letter she had written about her journey through motherhood. And true to form she kept it real. It was as if she knew my soul and her sharing that letter brought comfort to me and everyone else in attendance. I still have the letter and just read it again in honor of Heidi. I’m so glad I knew her and was influenced by her.

I never had the privilege of meeting Heidi but I know the wonderful son she raised. Nate became like my son while he was teaching some of my children. We enjoyed having him in our home and I always thought he must have amazing parents. It’s so hard to lose a mother and wife but I hope you will find happiness in the memories of her and peace in the possibilities of eternity. Love you, Nate! Lisa Bradshaw

Our deepest sympathies to the entire Olson family. Heidi, a one of a kind, was liked, loved and cherished by all that met her, and quietly made a difference in our lives. You could tell she knew she touched us by the smile she gave us and the warm all-embracing hugs. Her legacy will live on through her family and all the lives she touched. We will hold you all in our hearts.
