*November 19, 1932 ~ November 26, 2023*

I remember, Helen, as she, and her family lived in the Union 14th ward. She was a lovely person. She raised a great family with Elder Paramore. Love to the family. May the Lord's blessing be with you. Love. Natalie.

Tender sweet thoughts from the Eldon and Marge Bitter Families. Jim and Helen were beloved friends in the Orem 29th Ward and inspired other people with their enthusiasm for life and dedicated service. I grew up in one of the homes they built and Jim was my Bishop when I was called as a missionary to Germany. Til We Meet Again, Howard Bitter
