My Husband Evrett and I have been Sweet Helen’s Neighbors and Friends for many years. She was not only Sweet, but Very Loving, Kind and Beautiful. We will miss her very much. However, it was fun,, and made me smile, to read in Helen’s Obituary that she loved feeding Ducks., because I’m one of those Duck Feeding Ladies too! Evrett and I will think of Helen, and send Her Love, every time we feed Ducks or do a Service For Someone, For The Next Year, and Beyond. Sending Our Love and Best Wishes To Helen, and To Her Whole Family. With Much Love, Cheryl & Evrett Benton

I love Helen and am so sorry about her passing. I am sure she is with Gary now and very happy! When I was on my mission in Hong Kong Helen and Gary stopped by and visited me. They bought me and my companion lunch and we ate it under an underpass. They were so loving and fun to be with. As a homesick missionary I really appreciated their thoughtfulness. May she rest in peace and eternal joy!
