

Helen Schmid Bassett

May 11, 1927 ~ July 15, 2022

Dear family. We are so sorry for your loss. We first met Helen and Bill when our daughter Kelly married Rick (their grandson) 16 years ago. What a lovely, lively couple. They had so much fun dancing that night away and from the tribute pictures shown, looks like they enjoyed many dances. Our priest told us it was the first time he had ever officiated at a wedding where all four sets of the couples grandparents were present. What a blessing that was for all of us. All but Bill have now passed. May all your happy, loving memories bring you and your loved ones peace and comfort. With love and sympathy, Joan and Spike O'Keeffe

Bassett family - I am so sorry to hear of Helen's passing. She was an amazing woman who I considered to be my second mother in Park Ridge and in Westlake. She will be missed! I'm sorry I couldn't be there for the service, but we do send our love to the whole family. Chuck and Traci Askew

I had the pleasure of serving Helen and Bill while working at Sagewood in 2019-2020. While I no longer work there, I think of Helen often. Her attitude was infectious, she made you instantly feel loved, and I loved that to Helen nothing was too serious because she had her husband, a glass of milk with meals, and considered it a good day to be “vertical and ventilating”. I hope her family is still able to see this, if it means they will get to see that even years later, Helen made an impact on every life she touched.
