Helen was my first cousin and I always loved her. She was such a genteel kind person who always exuded optimism. She never lost her beauty despite a difficult life. I send my love and condolences. Wish I could be at the funeral but I don't drive on the freeway any more and I live in Orem.

Vikki and Mark, You two and your Mom have such a warm and large place in my childhood memories. I've always thought your mother was so beautiful. Her smile I can still see and her laughter I can still hear. As children we didn't know the depths of some of the hardships faced by our parents. Your mother never let on, she was always so kind and gracious. I know you will surely miss her. May the love of our Savior be your comfort and hope and bring you peace. Love Kathryn

We extend our love and sympathy to the Varley family, and particularly to Alan, who served with us forty years ago in Chile. Alan, though your time with us was cut short by illness we still have record of your testimony and service in our zone conference notes. Thank you! May the Lord's comfort and Spirit be with you and your family in this sacred hour. Gerald & LuAnn Day

I was very sorry to read and hear about Helen passing. She was a spectacular person. I grew up with Marc, Vicky and remember Ricky. A very tragic loss for our neighborhood. I remember her taking us swimming picking us kids up from playing at Five Point shopping center as we would shop and dink around. I worked with Helen when she was David Gardner's Administrative assistant at the University of Utah. She was always kind, helpful and a great resource for kids growing up in Woods Cross. Godspeed to family and friends. She will be missed! Our deepest condolences, Kim Payne

Helen is my hero. She was valiant in every way and always wise and kind. I was one of her ministering sisters, and before that her visiting teacher. I always learned more from her than she ever learned from me. What a sweet, sweet Sister. We had many wonderful times together in her lovely home. She will be missed by us, but heaven is the recipient of a grand lady. Oh what fun she will have seeing all her loved ones again, and to be out of pain will be such a blessing to her. COVID may have kept us apart for awhile, but she has always been in my heart. She still is and will be forever. I look forward to the day when we can meet again and maybe have a little swim together. She can teach me more about that too! I am hoping there is a pool in heaven for her.
