

Henry William Naylor

July 3, 1943 ~ February 27, 2023

Well old friend, I'd say rest in peace, but knowing you, you'll soon be laboring hard, advocating for your posterity and preparing a place for them. Calene and I send our love, peace, and comfort to your family, they'll surely miss you.

- John Horsley

Our Condolences to Henry's family... May God Bless you all in this time. Always a worker, I'm sure My Friend will be busy in his new calling. Best always...
