

Herbert Carl Livsey

August 20, 1941 ~ September 12, 2023

Wilma & family, I am sorry to hear the passing of your beloved husband, father, and grandfather. Working with Herb at the Ray Quinney & Nebeker as one of his five staff members was a pleasure. I learned a lot from Herb. Herb will greatly missed by several people and the community that enjoyed working with. Your in my thoughts. Linda Haggin

I know he'll always be President Livsey to me, he was a remarkable man, he had a way of making those around him feel special and valued. May the family find comfort and strength in the love and support of those around you. Herb's legacy will live on in the hearts of all who knew him, and his spirit will continue to guide and inspire us. Deepest sympathies from our family, your in our thoughts and hearts.

Livsey Family, There are no words that convey the love that I have for your family. It was such a wonderful childhood for my children growing up by you on the avenues. Herb was such an influence for good in our lives, especially as our bishop. He always had a kind word that encouraged and uplifted me and the many others he was serving. He will always be remembered fondly by all of us. Jan

Dear Wilma and family, My heart is broken for you and your loss. Your whole family has been such a blessing to our family in past years. Herb has always been so quiet, yet strong. He was a great strength and support to us when my children and I lived in the Avenues back in the late 80's, early 90's. We will never forget the care, love and concern rendered to us and wish we could be there now to comfort and sustain you in your time of need. May God richly bless all of you in this painful time. Much love to all of you.
