Losing Uncle Herbert feels like the end of an era. He linked the past with the future with his gentle presence. He will be sorely missed.

Rest In Peace, Uncle Herbert. Thank you for your example of positivity, strength, and a hard-work ethic. I can't remember life without you in it (you've been around my whole life and then some!) Ian and family, thank you for taking such good care of him! Thanks to everyone who undoubtedly helped out. Love, prayers, and best wishes to the family, which are many! Love, especially to Eileen, Dianne, and Teresa!

Dear Eileen, Condolences to you and your family. During my marriage I remember your Dad always so kind he had a wonderful sense of humor. He lived a long and purposeful life , he was greatly respected. I’m glad I got to see you last year even under the most heartbreaking circumstances, you were always special to me. May your fathers memory be eternal❤■
