

Herbert Snow Armstrong (Herb)

February 4, 1937 ~ September 29, 2021

Herb was a friend to everyone. He loved his family, his buddies, his farm, jeeps, tractors and car shows. I loved it when Herb would stop by my office to chat or the occasional burger or coffee at Wasatch Bagel. Herb will be missed !!!

We are so very sad to have this generous and gentle soul leave this world! Our love and prayers to all. Jacqie and Cliff

Really sad that we are saying goodbye to a True Gentleman! I considered Herb one of my best friends ever !!! I can’t count the times that Herb would show up at the Dealership (Crandall Ford) and say come on, let’s go get some coffee and lunch. Even though we had a substantial age difference, we shared a countless number of common friends and shared numerous stories from years/decades past. I am really going to miss him. Rest In Peace Herbie ! Blaine Ercanbrack Crandall Ford.

I was very sorry to hear of Herb's passing. I don't recall who introduced us many years ago (he was an East High leopard and I was a South High cub, about three years a part), but this photo of Herb is perfect, missing only his booming voice and laughter. What a prize he was! He will be missed greatly, but always remembered! Kindest regards, Leonard

“Or go buy yourself a drink.” Or buy someone else a drink (milk?). In this spirit we have made a contribution to The Utah Food Bank in memory of Herb. As seldom as we saw one another, Herb will always be a presence in my life. In addition to being in the same East High School class, it was always nice to run into Herb occasionally when we lived in Park City. RIP.

There can be only one Herb. He will be missed by his many friends, family, and community. It was a pleasure to work with him as his dental hygienist for many years. Rest in peace my friend.

My father was a good friend of Herb's which gave me the opportunity to get to know Herb. I have many memories of the times my family spent at Herb's home or visiting with Herb when he ate at my father's restaurant. He was a very special man. I cherish the memories of this special person. l Herb, tell my dad hello when you see him.

I enjoyed meeting at the restaurant when Herb and Mel were taking a break from chores at the ranch. A life well lived on one of the most beautiful spots on the planet.

We were saddened to hear the news of Herb's passing. I always enjoyed Herb in the days of the Downunder and visiting with he and Shellie at Dan's on Sunday as they did their shopping! He was the best and I will always remember his kindness throughout the years. We are so sorry for your loss! Our thoughts and prayers are with you at this sad time!
