Dear Sydna, and all family! With sadness and sorrow our hearts were broken, when we learned of Rom's passing. Every time when we saw each other at work place, it was special joy of saying "Hi", receive his hug, or pet on the back, his loving and sharing smile or just knowing he is nearby made the day very special! As a most precious gift I will keep sticky note from Rom, saying "Hi" and wishing to have a nice day at work! The one word describes Rom is "LOVE". Everything he did was through that love, he received from his parents and through his life. And he shared his gifts abundantly, not expecting anything in return. But he was always loved and appreciated by anybody, who knew him. Thank you, is not enough to say to you, Rom! Thank you for sharing, teaching and giving always love, through love, with love! You will be greatly missed! So talented in many things man, hardworker, and sparkling soul! But through the tears of physical absence of you, we will be comforted, that now you are free of pain and suffering. Rest in peace! We will know that another beautiful angel is above and watching over his loved ones first and everyone, he has touched in so many ways! We love you, Rom! With Love, Luda

I am Hiram's niece. I'm writing this message with my heart broken and tears all over my soul. Dear Laura and Joy. Last time I saw you guys you were little, like 10 and 4 years old. Many years had to pass before we reunited with Hiram again, in Mexico, 2020 when he came to Veracruz to visit us and got to know the little ones of the family. From that moment on, our life was changed forever and specially my dad was the happiest person of the whole world, for having the opportunity of finding his youngest, loving brother, again. Now, we have to say good bye to him, again, until we meet again. We feel honored and privileged to have had him as our loving hermano, cuñado, and tío. He was the best person I had ever met in my whole life. We have so many memories of him, anecdotes, stories to share, that years will pass and we will still be talking about the great Hiram. I know for sure how proud he was from his grand children. He used to speak about them all the time. I had the fortune of speaking with him two days before his last day, and if I had known it was going to be the last time, I would have told him a million times how much I, and we, the whole family, love him (although I know he knew that for sure). Gracias amado Hiram por todo tu amor incondicional. Aquí está tu familia de México que honrará tu recuerdo por siempre jamás. También mi héroe y mi inspiración! También tantos genes heredados de ti. Hasta siempre gran tío HIRAM. SIEMPRE VIVIRÁS EN NOSOTROS.

Sorry to hear of Hiram's passing. Sounds like you had time to say goodbye and have moments of peace with him before he passed.... what a true blessing that was. I'm sure you have many memories to now treasure. Our best to you Sydna, Laura and Joy. Although our interactions as a family were rare... we always enjoyed his laughter and stories when we did spend time together years ago. Take Care and God Bless you all! Querido tío....no sabes el enorme placer que es, fue y será haberte tenido en mi vida de forma tan cercana estos últimos tiempos de tu vida. Extrañaré que me digas que soy tu muñequita de porcelana!! Gracias por todas esas charlas en la madrugada. Me prometiste que no te ibas a morir, pero así es la vida y tu tiempo llegó. Estoy segura que allá en el cielo mis abuelos y mis tíos Eddie y Gustavo te están gozando increíblemente. Nos haces falta a cada segundo. Te extraño como no tienes idea....tus pláticas, tu risa, tus bromas!!! Me da gusto habértelo dicho en vida: fuiste el único tío con el que conviví de forma tan cercana. Gracias por cada uno de tus consejos, por cada una de tus palabras...las llevaré siempre en mi corazón. Me siento feliz porque sé que tus dolores y sufrimiento por fin terminaron. Gracias por enseñarme a quererte de esta manera. Your porcelain doll: María Teresa López Sam
