Beautiful tribute to such an amazing woman! I feel very blessed to be one of those many lives she touched with her never ending positive outlook on life. Her "Love Life" way of living truly inspires me to be a better person. My deepest love goes out to Matt , Taylor, Alex, Brianna, and Andrea.....as well as my brother Mel , Carol, and the rest of her tribe. We are all a little better because Holly was in our lives!

I am so saddened to hear of Holly's passing. I will always remember watching her, Melanie, Paul and Jill. Holly taught me a lot about keeping a clean house. She is such a beautiful, sweet, bright and pleasant young woman! She will surely be missed, but I am sure she is getting a spotless, cozy home ready for all her family that she loves! All our love to you, our beloved family! Love Connie and Lee Crayk

Matt and family, Holly was a light to everyone she met. It was so nice getting to know her as we served in the YSA. She was truly an example of love, kindness and fun. Much love and prayers.

I am deeply saddened by Holly's death. As an RN, I had the amazing opportunity to rub shoulders with Holly in several venues where I felt her good energy, kindness, and genuine love for ALL people. It was always a pleasure to "catch-up" and share stories. May your hearts be comforted and your minds full of beautiful memories of all of the many contributions Holly has made not only to her family and others in her personal life, but to the entire healthcare community throughout our beautiful state of UT. RIP Holly. You will be missed. I look forward to seeing you again.

Was blessed to be able to watch the services here in Iola Kansas via Zoom. What a wonderful tribute to that adorable little girl I got to know just prior to leaving on my mission some 54 years ago. Ever since then though far away from the family I was reminded of Holly's amazing happy positive goodness. The service was a witness to me that she continued to progress in greatness through the remainder of her brief life. That greatness and goodness will continue to be added upon in her present state thanks to a loving Savior. Thank you to her wonderful family and friends for their additions to this amazing women and may they be blessed with peace and comfort until we meet again.
