

## Holly Jill Carroll Ringwood

*March 26, 1952 ~ June 19, 2023*

I enjoyed teaching with Holly for twenty years. After I retired, I substitute taught for Holly on many occasions. I was impressed with the orderliness of her classroom and the thorough notes for the substitute (me). She was efficient and fun to be around. She was a teacher I enjoyed substituting for. (I know, I know! One should never end a sentence with a preposition!) Oops, forgive me, English teacher. No more pain for you -- halleluia! Love you, girl. I'll see you later. --Pat

I was privileged to have Holly as my neighbor in the English hall at JFK JHS. Over the years she counseled and advised me on many aspects of teaching, helping me to develop and grow as a teacher. She was irreplaceable. My condolences to her family and all her friends.
