Hello Lynn. I was sure sorry to hear of Hopes passing and what she passed from. May you and your family be blessed with strength, grace, peace and love, while going through this difficult time. My condolences, Melani Bagley aka Olsen

Growing up in Sandy I have many fond memories being around Hope and the Olsens. Me Scott, Clint, Trace, and Ryan Peck were always in and out of their home playing Nintendo, throwing snowballs at cars, or having sleep overs…things that kids today don't do anymore. Hope was always nice and good to everyone. When I learned of Hope's condition I reached out to her on Facebook and she messaged back which meant a lot. I was impressed with positive outlook and handling everything with such grace. A great person who touched the lives of many. To Lynn and my old friend Clint and the rest of the Olson Family our thoughts are prayers are with you.

Hope Olsen was one of one! Hope was one of the warmest people I've ever met. Always there to greet me with a smile and a hug, her light was always bright. I thank Hope for contributing to a wonderful youth experience and for raising such wonderful human beings (Clint, Carrie, Jared, Jaime) with Lynn. She taught me to ski and to make triple-decker peanut ■ butter and jelly ■ sandwiches. She was always a source of comfort whenever life wasn't adding up. I always felt better in her presence. I'll miss her gentle spirit and the warmth of her embrace. Til we meet again Hope! I love you.

I'm so sorry to hear of Hope's death. She was such a fighter with so much courage! She'll leave a hole forever in our hearts! I'm thrilled for Hope to finally be rid of her disease and its limitations! I'm sure her mother was happy to be reunited! Love and prayers for Lynn and all your family.
