

Howard Glen Lakin

February 15, 1935 ~ October 18, 2025

Howard was a good old boy. He was our neighbor. He loved giving out his tomatoes and playing his bango. Howard will be missed.

- Robert and sharon martines

Howard and Lilly were our dear neighbors for over 10 years. He was a model of a good christian, always sharpining our knives,, sharing his tomatoes from his garden, checking on us to assure himself we were in good health . We missed them greatly when they moved from Bountiful to SLC! His departure through the veil into the Spirit World will bless those who greet him and get to share him now. We express our condolences to his family for their temporary loss of such a noble and loveable guy. He is OK I assure you. You will have the opportunity to be with him again in the future and that will be a grand Réunion !
