

Howard Glen Ross

August 22, 1942 ~ August 4, 2024

Howard’s passing is a loss to all who knew him. He was a friend to everyone. He, Carol, and his family were also amazing neighbors, and we cherish the times we lived by them. We know he's in a better place, but the world is not as good without him here. Carol, we still love and continue to pray for you and your family. We truly love you all

Hello Ross Family, Sending our deepest sympathies and condolences on the passing of Howard.. I know he will missed by so many friends and family members. He battled valiantly for so many years with his condition I am one of Brad’s closest friends and he always spoke so highly of his father and mother. Again, our prayers are with you . The plan of salvation is real. You all will have such a joyous reunion with your patriarch someday. Love, Rich and Ann Mortensen
