

Howard Nelson Tuttle

December 15, 1935 ~ September 22, 2021

I'm sorry that Professor Tuttle is no longer with us. By believing in and standing up for my unpopular dissertation topic, he got me through my Ph.D. He was certainly one of the brightest and deepest persons I have had the privilege of meeting. I miss him.

- Diana Avery Amsden, Ph.D.

I was sorry to hear of Howard's recent passing. I have many fond memories of spending time at the Tuttle family cabin up Pinecrest Canyon. I also remember times when Howard and my father would bring themselves to tears laughing hysterically over some laughable, fantastical scenario that had dreamed up. I'll remember Howard as a very kind and positive person. His presence will be greatly missed.

Oh Carolyn, I'm so sorry to hear about Howard's passing. He was so much fun up here in Pinecrest! We always enjoyed his humor, how he talked to our kids like they were grownups (and we still have signed copies of FireNight), and the little green jeep he and you enjoyed so much. Many happy memories. Wishing you peace and the comfort of family. He was a truly wonderful, creative, interesting man, and we enjoyed getting to know him and you. Peace. Cindy & Larry Furse

Dear Carolyn and family, I want to offer my condolences. As an undergraduate and later as a graduate student, I had many classes with Howard Tuttle. He was an exceptional teacher. I remember his classes as being dynamic and challenging. If my memory serves me, I think I also attended one class, Philosophy and Literature, at your home where we would drink tea, sit in a circle, and discuss literature. I so appreciated studying under Dr. Tuttle and send you all my warmest regards. Lisa Gerber
