Prayers of comfort, strength, and healing I send for you all. Indeed Merv's passing is a great loss. For he is a special person, always shared a smile.. However we will all meet again., until then be strong. Lots of love ♥■

So sorry for your loss! Merv was a great example to me and always had a smile on his face. I hadn't seen him in a long time, but I'm sure he was spreading his sunshine to all around him. I hope you all find comfort in the great memories you shared with him. He's having a great reunion with all those family members who've gone before. You will all be in my thoughts and prayers!
