

Ida Jean Brain Brown

My mother, Eva, became well acquainted with Fred Brain when was a rep for Zions, and later MJB. She often recalled Fred's pride in his daughter.

I had the privilege of getting to know Jean at Spring Gardens. Her advice to me, " You can't go wrong with a good red lipstick. It always makes you look 'Put Together'. " Even in her waining years, Jean was "put togther", spiritually, socially and with a kind and unassuming nature.

Oh my sweet darling. My heart aches for you and your sweet family. So lucky you all are to have not only her smile, but also her love for all of you and her love of life. MUCH MUCH LOVE, Carla. XOXOXO

Jean was such a sweetheart. I am so sorry I did not know of her passing until this afternoon. I am grateful that Heavenly Father let me share a small part of this life with her gentle spirit and her inspiring love for her family and her faith. I rejoice that she is again with her love of over 70 years, Mark. God is good all of the time, and her life proves it. You will be missed and remembered!
