

Ila Fackrell Young

July 20, 1935 ~ December 13, 2024

We're so sorry for your loss, aunt Ila was always an energetic, fun and wonderful person and will be missed. She's not gone, she' simply turned another page in the book of eternal life, she's always with us in our heart, mind and sprit. She has returned to our lord and is with uncle Gene again. She knows no pain, no sadness, no heartaches, just pure love, forever!
