Dear Bud & Tanya & Familys, How I am going to miss your sweet Mom! She loved her entire family and she missed all of those so much who had passed away before her. She was dearly loved by so many of us, and our chats on the phone with her will leave us wanting to talk to her just to hear that strong Louisiana drawl that she never lost. My memories of her & your Dad are so funny & loving & those memories touch my heart. Your Mom was one of a kind, a dying breed, and we love her and we will miss her. All of our love to you all & your family. Your cousins, Roger & Barbara

My heartfelt sympathy is extended to Ione's family, she must have been an amazing, happy person because her daughter, Tanya, is always cheerful, friendly, and inviting. It is sad when a life we love is taken from us, and there is always a big adjustment but wonderful memories, I'm sure, will sustain you all in your sorrow. May you have peace

and love in your hearts knowing lone's life was well lived. Love, Celia A Cutler

I was in the Skyview ward, Last year I would see her at Smiths. A lot. She was so kind. Had great manners. I had a companion on my mission, Sister Abate. Whose from Louisiana. So we'd talk about her. She'd say things like your dress is pretty etc. I'll miss. Her Julie Price.

Sadly, I just saw the obituary today after trying to contact lone for several days. I played bridge with her for many years, and we most recently played at the Millcreek Senior Center before the pandemic. I continued to keep in touch with her and we had lots of conversations and laughs on Friday afternoons. Lone was one of my favorite people and I will greatly miss her. I notified the other members of our group, and they send their condolences as well.
