What a great soul and what a great life lived — always full of love and service, along with his sweetheart Janice. We served together in the islands and it would be hard to calculate the great good they did serving together. We send love and condolences to the family, with much love and gratitude. I had the privilege of working for my cousin Ira for a couple of years before I went on my mission. He helped teach me the principles of honesty, working hard and enjoying life. He and Janice shall ever remain as wonderful examples to me. Ira, enjoy your new mission with your beloved Janice.

I was deeply saddened to learn of the passing of Elder Tree. Though many years have gone by, his influence in my life remains profound and enduring. It was through Elder Tree and Sister Tree, who has also since passed, that my family and I were first introduced to the gospel. They served with quiet faith, kindness, and unwavering dedication. At that time, my life was uncertain and filled with doubt, yet they taught with patience and sincere conviction. Because of their willingness to serve, my life took a different course—one filled with greater purpose, faith, and hope. Today holds special meaning for me, as my son is being baptized—the same sacred step I once took because of Elder Tree's testimony and example. It is a reminder that the good we do in this life continues far beyond what we can see. I am deeply grateful for Elder Tree and Sister Tree for their lives of service and devotion. Their legacy lives on in the many lives they touched, including mine. My heartfelt condolences to the family. They will not be forgotten.
