We send our sincere condolences to Irene's family. She was our neighbor here in Willow Bend for many years. My mother and father loved their friendship with her. She was always a joy to visit and talk to. My father passed away 11 years ago, and my husband and I moved into Willow Bend to take care of my mother 5 years ago, and that is when I got to know Irene personally. She was always so gracious and fun to be with as we dropped in to see her. Once summer my young granddaughters visited her and they sang "you are my sunshine" to her. She loved the music and made our visit a time these young girls will always remember. Such sweet memories of the delightful neighbor we missed so much as she moved out of Willow Bend. Thank you for sharing your wonderful mother with us. My mom is soon to be 94, and shares with me our tender memories of your dear mom.
