What a wonderful photo and obituary for Irene! She would approve, I'm sure. We will miss her. Love, Mary and Rose

Dear Dougan Family, at a time when all the days seem to blend together, along comes the reminder that a joyful life, is a life well lived. Thank you for sharing Irene's wonder and humor with so many. She was clearly born into a family who gave her an equal measure of care and independence, and she thrived. I'm sorry that you are without her now. May she rest in peace. And may we all carry some of Irene's sunshine with us everyday. Sending love, Dawn

Though I only knew Irene briefly (as a volunteer at CHL), I can honestly say that she was one of the kindest souls I have ever met. Always ready to draw, she freely gave her creations to those she loved and those who cared for her. Her joyful greeting, “Hi, Buddy”, to every single person she saw, will be greatly missed. Another star twinkling in the night sky; another angel in heaven.

Terrell, I remember when I "met" Irene through your book and how honored I was to accompany you on a few book talks. She had the best that life could provide because of you and your family. May she rest in peace. - Sue

To Irene's Family and Caregivers The 10th Avenue neighborhood will never be the same without Irene. We will miss her conversations with all who pass by and her always cheerful greeting of 'Hi Buddy.' In my case, she would

often ask me when 'my girl will be bringing her money' as I was renting a garage space from her. She enjoyed visits, rides in my 'convertible - which she referred to as 'curbable.' We also appreciated visiting with Gretchen and her caregivers who gave her such committed, generous care. May Mother Earth wrap Irene in her loving arms. May memories ease your loss and bring you comfort. Love Judy and Allison
