

Irvin "Alan" Pearson

December 5, 1930 ~ April 17, 2023

I'm very sad to see Alan leave us but look forward to the day I can meet him again. Since we moved into the 8th Ward just over 5 years ago I have always enjoyed talking with Alan at Church and other Ward events. He is a great guy and lead a good life. I'm sure he has been very warmly greeted on the other side and united with his wife and many other friend and family members. I will miss him. - Lynn Beardall
