

Itiliame Lose Wolfgramm Fifita

July 12, 1959 ~ November 24, 2021

Aunty Lose!! We will miss your beautiful face!! Thank you for always being there for us and for having a beautiful Aunty to look up too. You have suffered much while on this earth and I look up to you for never complaining. I’m grateful that you are finally free of pain and will get your perfect body!! What a beautiful plan the Savior has for us!! Until we meet again!! Love you forever!!
