My good friend Steve, I'm so sorry to hear of your sweet wife's passing. I seem like I just saw her in the store a week or so ago. She was always such a pleasant lady to visit with. Please know that our thoughts and prayers are with you and your family, and that the knowledge of Heavenly Father's Plan of Salvation may comfort you to know that although she has gone before you, she has paved the way for your eternal life together. With love, Paul and Carol Malmstrom

Dear Steve and family, We are so sad to hear of the passing of Iylene. We were so glad to see you both at Janssen's memorial, and shocked to hear of her passing. I'm so sorry I didn't make it to her funeral. I found out on my way that I was exposed to covid and I did not want to take the chance of exposing it to others. I am so grearful that I got to visit with her at Earlynn and Kerms birthday party. God be with you and your family and give you piece and comfort. Love always Lettie

Steve, We heard in church on Sunday about Iylene's passing. My sincerest sympathy to you and your family. We would have extended our sympathies to you in person, but we left town on Monday morning early. I hope this doesn't sound trite, but Iylene really is in a much better place. Our prayers and thoughts go out to you for the Lord's comfort.
