

J Frank "Tad" Bonell

May 11, 1927 ~ April 20, 2024

I'm so sorry for your loss. Huge hugs and love coming your way!

- Heather Gardner

I have been trying to reach Tad and his telephone number has been disconnected. I finally called ESI and they told me Tad had passed away. I wish that I had been told this since I really liked Tad and he was a great partner. He was a great person to work and be with. I always respected his service record. Karen, please give me a call sometime. Jim Charnholm 801-232-4352
