

J Wendell Hall

September 30, 1938 ~ December 16, 2025

I am very sorry about your loss. My condolences to the family!

Bro. Hall was in our ward here in South Jordan, so I've only known him for the few years we've lived here, but I have not met a kinder, gentler man than him. He was always upbeat and cheerful, so willing to serve, and just a joy to be around. I am smiling for his reunion with his beloved Kay, but he will certainly be missed by the members of our ward, and of course all his family and friends.

Dear Family of Wendell and Kay Hall, What a sweet thing for Wendell to not have to suffer a long time, and yet how sorely we will miss him. He was the best brother anyone could ever have, so I imagine he was an even better dad and will be missed all the more by his own family. Janice and I pray for the Lord’s peace to comfort your heart and console your grief at this parting. We know he has earned a great reward. We love you all. George and Janice Hall

The Claytons love Uncle Wendell. He was a great man and will be greatly missed. The brightness of his countenance and his kind service was a great example. I'm sure his reunion with his wife and family in the next life is a wonderful celebration. We are praying for comfort and strength for the Hall family through the Spirit and wish our sincere condolences.

Wendell has been a beloved brother in law to me for many years. Our oldest sister Kay was quite a few years older than me so when Wendell married her and came into our lives, I was 12 years old. He instantly became a very

beloved older brother to me, doing things like taking me fishing, getting me interested in coin collecting and going to major league baseball games when we visited in California. Wendell was a truly wonderful man, with a heart of gold and I'm sure was a wonderful and positive influence on everyone he came in contact with. We will miss him dearly and wish he could have stayed here on earth longer but I also know he dearly loved our sister Kay and I'm sure they will have a wonderful and glorious reunion as they meet up in the hereafter. All the best, Wendell. You will be missed. Gary J.Christensen - Plano, Texas
