What a blessing to have known Clark and many of the Whitehead family. He was always such a gracious and upbeat man. I count it a great blessing to be his friend. We send our love and prayers from the mission field in Puerto Rico. May your family be blessed with the Lord’s richest blessings. Greg & Lorraine Dahl

My thoughts are with you all today. Clark was the best of brothers (alongside Jim); I have wonderful memories of fishing, camping, and hunting with him, as well as trying to become a decent baseball pitcher playing catch with him. I never managed to be able to pitch decently, even though he was an excellent catcher. He grew up to be an honorable, honest, decent man, like our father: an excellent role model for all his offspring. He will be missed.

We appreciated watching Clark's funeral service on Zoom and felt the love that was shown in the tribute given to a wonderful man. Clark is David's cousin and he always had high regard for him. Surely he will be missed here but welcomed in the spirit world. Sincere condolences to the family.
