What an honor is was for me, my parents, and my siblings to have known J. Richard Clarke (or Dick, as my dad would call him) and his wonderful family. He was a man of integrity and devotion to the Savior, and a true defender of all that is righteous and good. And Barbara is not one wit less than that. They and their family were amazing and selfless friends while we grew up together in Boise, Idaho. And he was an amazing bishop and stake president to all of those saints that lived in that area before his call as a General Authority. He will certainly be missed, but undoubtedly, there is plenty that will be blessed beyond the veil with his testimony of Christ! God be with you until we meet again! Dear President Clark, thank you for all you did for this little farm girl who at the time could not even speak proper English. You were there on every level to catch each one of us. You taught us how to teach the Gospel, be more business like and simply helped us to improve on so many levels. Thank you for staying true to the Gospel. We live you to the moon and back. Your little South African farm girl Estelle du Toit who had to grow up and learn line upon line. Thank you for believing in me. One of the greatest men I had the honour to know. Your legacy will live on deep in our hearts. Until we meet again.

- Estelle Du Toit

I am so sorry for your loss. What a wonderful and spirited man. May your hearts feel our Savior's love and may you find peace at this time. Hugs and prayers to you and your sweet family!

We were sorry to learn of Uncle Dick’s passing while we were out of the country. Wish we could have joined the family, but we send our condolences and love to all. Uncle Dick is such a great example of wisdom and goodness, and he is loved by many. May you know of our love for your family and our gratitude for the positive influence he has been in our lives. Much love, Brian and Kathy Withers
